

12 December 2023

Dear Parent/Guardian,

Macarthur Street Primary School is looking forward to another great year of teaching and learning and would like to advise you of Macarthur Street Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of art, physical education equipment, ICT Devices for the classroom and extra classroom resources, which in turn, supports them to be exemplary programs coinciding with our elite classroom teaching of the established subjects such as Reading, Writing and Maths. Our reading and numeracy materials are very extensive, and we are constantly adding new material for teachers to use to support personalised and quality learning. Other programs which we can offer because of your contributions include Cooking, Breakfast Club and Junior School Council. We are also able to subsidise our swimming program and our celebration days such as Grade 6 Graduation Evening, Community Events and our Learning Celebration afternoons. All these programs run alongside the traditional classroom teaching and learning programs are imperative to provide an effectively balanced and rigorous overall education for your children.

In 2024 we will be obtaining our stationery packs from KaKa Kids School Supplies, payment is made to the school before the end of the year and the school will order your child's book pack. Individually named stationery packs will be delivered to your child's classroom before the start of the 2024 school year. All stationery items are carefully selected by the teachers for their suitability for your child's use during their year of studies. Each student is provided with the same stationery pack, so all students have the same stationary items. This method is more equitable and easier for parents/carers.

Attached is the cost of each year level book pack. If there are any concerns, please speak with BJ or Mr Cross.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely

Anthony Cross
